Instructions:

- Try to answer all questions.
- Check your answer for the MCQ part below. For the long problems, I am providing 5 pages of blank space, which is all you need. Write your solutions only in the space provided!
- You will have access to scratch paper but anything in here will not be considered when grading.
- Be neat, organized, and complete when writing your solutions! If I don't understand what you wrote, I will consider it wrong!
- At the end of the exam, you will return both the exam and answers booklet, as well as any scratch paper you used.
- You are not allowed to unstaple the exam booklet or the answers booklet.
